CLUBS

The School has different lock to unlock the talent potential on the students and have the skills to achieve perfection. *All work and no play make jack a dull boy*. Therefore the simple common aim of these clubs us to develop a student from a presenter to a performer and bring out wholesome development in the individuals.

Namely the clubs are Eco club, Health club, literacy club, Self Defence club, Science club, ROBOTIC club, music club, dance club, cricket club, basketball club and arts club.

Eco club student to conduct researches on ecology, study major factors affecting the environment and there preventive measures and remedies.

Health club helps in understanding about the Wellness of a person, knowing about the multitude of ailments and their causes. Literacy club helps and developing a student's proficiency of English language. Soft skills, vocabulary, debating and persuasion skills, attractive powers, intelligence, quotient, creativity with language and lateral thinking is agenda of this club.

Robotic clubs helps tech savvy and gizmo loving bids to learn about programming, artificial intelligence and the building of digitalis robot with the use of sophisticated engineering.

Science club is what you call the "Adda" of building scientist. Innovative ideas, scientific theory and principles, phenomenon, inventions, discoveries and mind bloggers, are what the scientist think of. If you start tapping your feet on listening to music and you start moving uncontrollably with the groove and let groove sway your body, then dance club is where you belong from hip hop to classical, bhangra to Garba, contemporary to fusion, you get everything on your platter.

If you feel you can match and instrumentalist or if you have a shot with any musical instrument of your choice there it is Music club you are looking up to. Hidden talents, hobbies and expertise are worked up here.

Self Defence club is a place where you get to learn taekwondo learning. Self defence is the both a need and a trend in the Modern Times, which helps the individual to defend himself or herself form social wrongs such as bullying, ragging, robbery, etc.

All these clothes are headed by educated, qualified and dedicated Mentors. The impart values education to those who really wish to learn this stuff. Through participating in various club activities, a person make new friends, learn things, acquire experience, gain confidence and interpersonal skills builds respect and self esteem and also learn time management. A person also gets first and experience and gain various social values.

OUR SCHOOL AND OUR CLUB

Modern day –schools need to focus not only on the academics but also on the holistic development of the students which makes it imperative on the schools to constantly expand and diversify its sphere of activities, GNPS-21, being a premiere educational institution in the steel city of Rourkela leaves no stone unturned to meet this demand and requirements.

The motley of clubs functioning at GNPS-21 with verve vigour are many end to name a few of them are : the literary club, music club, quiz club and the science and art club. All these clubs follow a well laid out schedule and work ethics. These club-activities are conducted specially on Saturdays and prior to the special occasions wherever and whenever required. The skill and achievement of these clubs are simply amazing so much so that our school has attained a high degree of self reliance that lends instant preparedness to GNPS-21.

The glorious accomplishment of these clubs can be credited to the efforts of the resource persons who are either the full time employees at GNPS-21 or the persons specially roped in regularly for honing the skill of the students.

As a result the success attained is both numerous and ground breaking. Dibyajyoti Tripathy of class XI-B emerged the very best in the International leadership Event organised at Sai International, Bhubaneswar in the Event called Model United Nations that witness representatives from 56 countries. Somya Mishra, a student of class XII Science and Dibyajyoti Tripathy brought laurel for GNPS-21 when they were adjudged best speakers in competitions organised by sahodaya-an umbrella organisation for all the CBSE Schools. GNPS-21 has emerged champion in cricket (Juniors) conducted by SAIL for the year 2019-20. It was followed by a repeat performance when they became champions in cricket and runner-up in football conducted by sahodaya. Ronit kumar of CI-XII Com. Won the gold medal in the marathon race competition held for senior students in odisha and chattisgarh and won a silver medal at the all India level. recently shreyashree mohanty of CI VI has given GNPS21 enough of reasons cheer by winning the Lady Pari competition held in Rourkela.

In brief it can be concluded that the mind blowing achievement of GNPS-21 in a very short span of its establishment is combined effort of the persons in the help of affairs; their vision and dedication.
